

Cantus Youth Choirs – Parent Volunteer Form

Perhaps the most valuable and necessary portion of your contribution to your children's musical experience is your time. Your children will thank you & often join in with you. We are very aware that everyone is busy, however this program cannot exist without parental involvement. Each family is expected to contribute at least 10 hours of volunteer time in one of following ways. Those exceeding 10 hours may be eligible for 1 or more complimentary concert tickets at the discretion of the director. Please check the committee(s) that most interest you and indicate any particular jobs you would prefer. You will be assigned to a committee if you do not express a preference.
