

## Cantus Youth Choirs – Optional Apparel

Choralis has opted to use Lands End Preferred School Program for customized apparel. (<http://www.landsend.com/>)

Our preferred school number is **900130360**. You must use this number to access the Choralis logo for the Polo shirts (embroidery will cost approximately \$6 to add to each shirt). When you type in the preferred school number it will provide access to the appropriate logo.

Enter the item number for each uniform item below in the search bar of the Lands End website. For shirts, select the correct color of short sleeve polo then click the link to access the page to select size and enter the school number above to add the logo. In the past all singers purchased a white polo shirt. Additionally, Cantus Primo members purchased a red polo shirt. The dress code that the site provides on behalf of Choralis includes selected fleeces, sweatshirts, and other clothing in a variety of styles and colors that can be embroidered with the Choralis logo. These items are absolutely optional, but are available should you want to consider them for your own enjoyment, and as a means of letting others know about our program.

Former Uniforms for the Cantus Liberi and Cantus Medius Choirs consist of:

Boys	Girls
